Accessing Food Banks

If you feel you are struggling to put food on the table, agencies can work with you and offer support by issuing you a foodbank voucher which is the most important step to getting access to the foodbank. Agencies that can issue foodbank vouchers will include: Citizens Advice, housing support officers, children’s centres, health visitors, social services and some local charities.

Call our free national helpline

If you are in financial crisis and live in England or Wales, please call our free national helpline, Help through Hardship, on **0808 2082138** for free (open Monday to Friday, 9am-5pm, closed on public holidays) to talk confidentially with a trained Citizens Advice adviser. They can help address your crises and provide support to maximise your income, help you navigate the benefits system, and identify any additional grants you could be entitled to. If needed, they’ll issue you with a voucher so you can get an emergency food parcel from your local food bank.

Translators and Relay UK

Please ask the adviser if you need a translator, this will be provided via Language Line. If you can’t hear or speak on the phone you can use [Relay UK](#).

There are seven Trussell Trust foodbanks in the county, some are now offering home delivery options and are operating an electronic referral system. Collectively, the seven food bank’s footprint covers each region of Gloucestershire; ensuring support is available irrespective of location.

North Cotswolds Food Bank

<https://northcotswold.foodbank.org.uk/> | Phone: **07879 375562** | Email: info@northcotswold.foodbank.org.uk

Our foodbank works using a voucher referral system.

We know that anyone can find themselves at crisis point for a number of different reasons.

The most important step is to get a foodbank voucher.

In order to provide the most appropriate help for the circumstances of your situation we work with local agencies. If they feel you are struggling to put food on the table, they will issue you with a foodbank voucher. The local agency can also provide long term support if needed to help address some of the issues behind the reasons for your crisis. Agencies we work with include: Citizens Advice, housing support officers, children's centres, health visitors, social services and some local charities.

1. Get in touch with us

If you [call or email](#) our foodbank we can talk through your situation and put you in touch with a relevant local agency.

2. Contact a referral agency

If you are in financial crisis, please call one of our Citizens Advice advisers. They can provide support and advice about benefits, debt, employment, housing, relationships etc, help you navigate the benefits system, and identify any additional grants you could be entitled to. If needed, they'll issue you with

a voucher so you can get an emergency food parcel.

If you live in Winchcombe or Bishops Cleeve area please call our free local helpline number on 0808 189 6280 (Mon – Fri 10am – 4pm) to talk confidentially with a trained adviser from North & West Gloucestershire Citizens Advice.

If you live in Stow, Moreton, Bourton or Chipping Campden area please call the free local helpline on 0808 800 0511 (Mon – Fri 10am – 4pm) to talk with a trained adviser from Stroud and Cotswold Citizens Advice.

If the local helpline is busy, you can call the national Help Through Hardship helpline on 0808 208 2138.

3. Visit your nearest foodbank centre with your referral

You can find a list of our local centres and opening times [here](#). When you arrive, we'll welcome you with a warm drink and our trained volunteers will chat with you about your situation. We'll also discuss any dietary needs you may have and exchange your foodbank voucher for a [parcel of three days of emergency food](#). We'll also help to support you in any other ways that we can. Most of our foodbank centres offer a cafe style environment and our aim is to provide non-judgemental support at the point of crisis.

Cirencester Food Bank with Fairford and Tetbury

<https://cirencester.foodbank.org.uk> | Phone: **01285 896360** | Email: info@cirencester.foodbank.org.uk

If you need help from our foodbank there are a few simple steps to follow.

We know that anyone can find themselves at crisis point for a number of different reasons.

In order to provide the most appropriate help for the circumstances of your situation we work with local agencies and organisations. If they feel you are struggling to put food on the table, they will issue you with a foodbank voucher. The local agency can also provide long term support if needed to help address some of the issues behind the reasons for your crisis.

Step 1: The most important step is to get a foodbank voucher.

The Foodbank cannot provide a food voucher directly to you, so you need to call one of our partners first to get a voucher.

In order to provide the most appropriate help for the circumstances of your situation we work with local agencies. They will work with you to identify what help may be available to you and, if needed, refer you onto the foodbank for support. The local agency will also provide long term support if needed to help address some of the issues behind the reasons for your crisis.

Our foodbank works with a number of different agencies, such as

Citizens Advice, children's centres and health visitors. To find out more about the agencies that hold our vouchers and how you can get help, [click here or contact us](#).

When you call or visit a referral agency they will take some basic details from you to complete the voucher. This will help them to identify the cause of your crisis and offer practical guidance. It also means we are able to prepare suitable emergency food for the right number of people.

Some referrers may have limits on the number of vouchers they can provide you (for instance, a maximum of three vouchers in six months). Once you have been issued with a voucher, you can exchange this for three days of [emergency food](#) at your nearest [foodbank centre](#).

Our main partner support agencies include:

Citizens Advice (Stroud & Cotswolds)

If you are struggling with a lack of money, please [click here](#) to view our 'Worrying about Money' guide which provides information on other local agencies who can support you. The agencies listed can help address your crises and provide support to maximise your income, help you navigate the benefits system, and identify any additional grants you could be entitled to

If you have any issues with getting a foodbank referral please [call or email](#) our foodbank; we can talk through your situation and see what additional help can be provided.

Step 2. Speak with the Foodbank about dietary and other needs

The Foodbank will automatically be notified when you are referred for a food voucher. We will contact you to talk about dietary and other needs, arrange collection at one of our centres or, if necessary, discuss a delivery of your parcel. If you have not permitted the foodbank to contact you, we will make a standard parcel available for you when you collect from our centres.

The Foodbank will also check that you have received the support you need from our referral partner to address the challenges you are facing and arrange a call with our support navigation team if needed.

Step 3. Collect your parcel / receive your delivery

If you are collecting from us, we'll welcome you with a warm drink and our trained support volunteers will chat with you about your situation. We'll also help to support you in any other ways that we can. Most of our foodbank centres offer a cafe style environment and our aim is to provide non-judgemental support at the point of crisis.

You can find a list of our local centres and opening times [here](#).

If you have any further questions our [FAQ's page](#) may help, or feel free to give us a call.

Step 4. Get a wellbeing check in from our team

If you had your parcel delivered or were unable to speak to a volunteer at one of our centres, we will check in to make sure everything was okay with your parcel and if you need any further help that we can refer you onto.

Our centre opening times

Independent Food Banks and Organisations

There are also some independent food banks and organisations in the county that can offer support with food, including:

Hungry no More (Churchdown)

Hungry No More operates from the GL3 Hub in Churchdown, providing vital support to our community.

We are open every Thursday morning to distribute food parcels, aiming to supply 3 to 4 days' worth of food, depending on donations. In emergencies, parcels are available any day. As a dedicated food bank, we assist those in Churchdown and surrounding areas who are truly struggling. This includes

individuals facing low income, job loss, furlough, or mental health challenges.

On average we are now helping 45-55 households each week. Referrals come from health professionals, housing coaches, mental health workers, and individuals themselves. We do ask for information on their circumstances to better understand their needs.

We maintain two Facebook pages: Hungry No More (closed for confidentiality) Innsworth and Beyond Hungry No More (open to the public) Please visit our open page to see what we do and view photos of our new setting. All donated food is given free of charge. Your support helps us continue making a difference.

Pantry Project (Cheltenham)

The Pantry Project opened in July 2019. We offer a healthy selection of food which includes fresh and frozen items, together with fruit and veg, dried food and toiletries. Within our shop, situated at our Head Office in 340 High Street, Cheltenham, members can choose from food and essential household items to the value of approximately £15 for £4.00 a week.

Linked to the Pantry, our Polytunnel project provides pantry members with an opportunity to engage in social activity whilst contributing to the stock of fresh produce available to members. Located at the rear of our head office, the polytunnel contains accessible raised beds in which seasonal produce is planted and grown throughout the

year. The project also contributes to improved social inclusion and wellbeing for pantry members.

By visiting the Pantry each week, members can also receive support from staff and volunteers who will develop relationships and signpost to other services that can provide debt advice, housing advice, mental health and family support.

The Pantry is open Wednesdays 11-5, Thursdays 9-3 and Fridays 9-3.

Do you, or someone you know, want to become a member of our Pantry? **Click [here](#) to fill out a referral form**, or call into our reception where someone will be able to talk you through becoming a member.

The Lord's Larder (Newent)

The Lord's Larder Food Bank, which now services the Forest of Dean, Newent, Leadon Vale and West of Severn areas, was conceived to provide short-term access to basic food and toiletries. All those who found themselves unable to feed themselves or their families were eligible in the short-term.

The Larder, which is run and maintained entirely by volunteers, opened in 2010 and still aims to fulfill that stated role today. Working with agencies within the county, we aim to target aid where there is a genuine need and have adopted a [Voucher System](#) which enables us to do this most effectively. Alongside this, we also use an [Emergency Pack System](#) in certain circumstances.

The Larder itself is situated in Newent (and managed from St. Mary's Church in Newent) and we are fortunate to have a wide range of [Collection Points](#) throughout the area, where donations of food and toiletries are generously made on a weekly basis. Our vouchers and emergency packs are now distributed from several [Agencies](#) across the region (including Citizens Advice bureaus, Social Services and churches) and we hope to continue increasing our ability to give in line with the donations we gratefully receive. It is only with help from individuals in the Forest of Dean, Newent itself, Leadon Vale and the West of Severn areas that we can continue our work, we ask that you consider supporting us in this effort.

Wiggly Worm (Cheltenham)

Who we are

Wiggly is a small but growing Gloucestershire based charity with a mission to offer people life opportunities through food. We were founded by Rob Rees, MBE, in 2007, and still retain the original registered charity name "The Wiggly Worm Ltd" today. We have built a reputation across the county for delivering cookery tuition and activities with impact that goes beyond just teaching kitchen skills.

What we offer

Wiggly offers fully inclusive, accessible and mobile cookery sessions for individuals of all ages and abilities, from cradle to grave. Whether at our Gloucester-based kitchens, or out in the community, we provide opportunities through food to individuals, groups and communities that are disadvantaged or disabled, and to those who support and care for them. Wiggly workshops and courses empower individuals by building kitchen skills for life, improving self-esteem and confidence and bringing communities together. Our flexible approach eliminates transport barriers and allow us to reach individuals who may not otherwise be able to access traditional cooking schools or workshops.

How we do it

Wiggly is Values-led We are inclusive, empowering, collaborative, accessible and professional. Wiggly takes time to assess individual needs and to tailor our cookery provision and delivery accordingly. We are people-centric and never judge or discriminate. Our workshops bring people together and reduce social isolation, enabling people to learn new skills and connect with others.

Why choose Wiggly?

Wiggly sessions are interesting, practical, engaging and fun. We offer value for money, specialist teaching, in a safe and inclusive environment. Wiggly recipes are designed to be seasonal, budget-friendly, simple and tasty. We focus on people's strengths and tailor our classes to individual abilities so that everyone can succeed in cooking and sharing a delicious meal, regardless of ability or circumstance.

Get help to buy food and milk (Healthy Start)

<https://www.gloucestershire.gov.uk/healthy-start/>

What is Healthy Start?

If you are more than 10 weeks pregnant or have a child under 4, you could get help to buy healthy food and milk and items like:

- » fresh, tinned or frozen fruit;
- » vegetables;
- » pulses (lentils and beans);
- » cow's milk;
- » and first infant formula.

If you are eligible, you'll be sent a Healthy Start card with money on it that you can use in supermarkets and other grocery stores.

Healthy Start add your Healthy Start money onto this card every four weeks. Find out if you are [eligible to receive these benefits](#).

What do you get?

You will get money added onto your card every four weeks to spend on certain food and milk.

- » £4.25 per week if you are pregnant (from week 10)
- » £8.50 per week for each baby under the age of one
- » £4.25 per week for each child aged between one and three
- » Free vitamins

Under 18s

If you are under 18 and pregnant, you will qualify even if you do not get any benefits.

Where can you use your Healthy Start card?

You can use your Healthy Start card in most places that sell milk, infant formula, fruit and vegetables. This includes:

- » supermarkets
- » convenience stores
- » grocery stores
- » drug stores and pharmacies

- » markets
- » dairy products stores
- » news dealers and newsstands
- » freezer and locker meat provisioners (such as butcher shops)
- » petrol stations

They must display a Mastercard® symbol. The symbol is normally shown on the shop door or at the till. Ask an employee inside the shop if they take Mastercard if you're unsure.

If you try to spend the money anywhere else, the card will be declined. For example, you cannot use your card at a fast-food restaurant.

How to apply for Healthy Start

Apply by:

- » Visiting the [NHS Healthy Start website](#)

Food Waste Apps and donations

With food insecurity and climate change now a global matter that requires a collective effort to address, reducing food waste is a priority of many households and organisations.

As a result, there are now several food waste apps where you can find perfectly good food that would otherwise be destined for landfill, at much lower cost. These apps include:

Too Good To Go – offer discounted food boxes from restaurants and various eateries

Olio - share surplus food and other unwanted household items such as toiletries, cleaning products, clothes and furniture.

Food Cloud - helps charities and community groups – from homeless hostels to breakfast clubs – obtain surplus food from retailers and other companies.

Try to prevent food waste from happening, follow these practical tips:

<https://www.bbcgoodfood.com/howto/guide/how-reduce-food-waste>

If you want to donate to food banks and other emergency providers use the donations at some supermarkets or donate directly to a local food bank: <https://www.trusselltrust.org/get-involved/ways-to-give/donate-food/>

Healthy eating for children Food Fact Sheet - Children need regular meals and snacks to get the energy (calories) and goodness or 'nutrients' they need for growing and fighting off illness. Children's nutritional needs change as they get older, so it is important to be aware of these changes. This Food Fact Sheet will help you ensure your child is eating the right food, however old they are.

Learning how to cook

There is no shame in not knowing how to cook, many people can find cooking challenging. Cooking is a useful life skill which can benefit all the family. Below are some resources to guide you through learning how to cook. Don't overcomplicate it and start simple. Cooking from scratch has many health benefits and could save you money over buying pre-packed foods.

Food Waste Tips

Leave the skin on

Most of the vegetable's fibre can be found in the skin. Fibre can keep us fuller for longer and keep our gut healthy, whilst preventing the risk of type 2 diabetes, cardiovascular disease and stroke. Most of the UK are not consuming enough fibre, this tip will help increase your intake.

Easy dinner ideas - Healthier Families - NHS (www.nhs.uk)

<https://www.nhs.uk/healthier-families/recipes/dinner/>

We appreciate that all children are unique, and it may be more challenging to encourage your child to eat if they have specific sensory or dietary needs, here are a list of valuable resources to offer support:

National Autistic Society guide for all audiences - Eating a varied diet is good for your health, but many people don't achieve this. Some autistic people have a restricted diet, eating only a limited range of food. Others may over-eat. This guide explores common issues, including pica, and ways you can help.
<https://www.autism.org.uk/advice-and-guidance/topics/behaviour/eating/all-audiences>

Food for the Brain Foundation - there is growing evidence that nutrition and lifestyle interventions can be very supportive to children with autism:
<https://foodforthebrain.org/condition/autism/>

ARFID - Avoidant restrictive food intake disorder, more commonly known as ARFID, is a condition characterised by the person avoiding certain foods or types of food, having restricted intake in terms of overall amount eaten, or both.

<https://www.beateatingdisorders.org.uk/get-information-and-support/about-eating-disorders/types/arfid/>

We understand that it can be difficult to encourage children to eat and try new foods, especially if they are a 'fussy eater' or have a food allergy or intolerance.

If you struggle to ensure that your child consumes a well-balanced diet, take a look at these top tips from the NHS around how to cater for 'fussy eaters': <https://www.nhs.uk/conditions/baby/weaning-and-feeding/fussy-eaters/>

In addition, if you are struggling to manage your child's food allergy (e.g., eggs, milk, peanuts, wheat) here are some useful guidelines from the NHS: <https://www.nhs.uk/conditions/food-allergy/living-with/>

Please note that a food allergy is **not** the same as a food intolerance.

A food allergy is: when the body's immune system reacts unusually to specific foods. Although allergic reactions are often mild, they can be very serious.

Symptoms of a food allergy can affect different areas of the body at the same time. Some common symptoms include: an itchy sensation inside the mouth, throat or ears - a raised itchy red rash - swelling of the face, around the eyes, lips, tongue and roof of the mouth – vomiting.

A food intolerance is: when an individual has difficulty digesting certain foods and has an unpleasant physical reaction to them. It causes symptoms, such as bloating and tummy pain, which usually happen a few hours after eating the food. The number of people who believe they have a food intolerance has risen dramatically over recent years, but it's hard to know how many people are truly affected. Many people assume they have a food intolerance when the true cause of their symptoms is something else.

For more information around food intolerances, please visit: <https://www.nhs.uk/conditions/food-intolerance/>

Household support

Funding information

Household Support Fund

The Household Support Fund, funded by the UK Government, is intended to alleviate hardship and support those most in need that have been affected by the significant rising in cost of living. It is to meet immediate needs and support those struggling to afford food, energy, water, and utility related essential expenses. Due to significant increases in energy prices, the rising costs of fuel and general cost of living, many households will be adversely affected and placed into financial hardship and therefore there will be a greater emphasis on supporting households with energy bills, food and water bills, and the general cost of living through the Household Support Fund.

The purpose of the Household Support Fund is to support households in the most need with food, energy and water bills and other essential items.

Individuals, working age adults, families (with or without children) and individuals of pensionable age can self-refer. Any referral agency in the voluntary or statutory sector can refer a client in need of financial support, for example, a support worker.

For residents to come forward and apply for support. This is a discretionary fund, allocated on a case-by-case basis, to mitigate severe financial hardship.

Welfare Fund

The fund provides practical support to eligible adults and families for food, gas/electricity top ups and household items such as furniture including white goods/appliances and furniture. Auriga Services Ltd administers the delivery of the Gloucestershire Welfare Support Scheme.

In April 2020 Gloucestershire County Council approved plans to extend the existing Welfare Support Scheme for a time limited period to provide support to people and families in hardship as a result of the Covid-19 pandemic. This is a time-limited extension to the scheme and Gloucestershire County Council will review and adjust the scheme as required depending on how the situation evolves.

Support agencies have told us they are pleased with the scheme to date as it is straight forward to access and provides appropriate support to the right people quickly.

Citizens Advice - Debt and Money

<https://www.citizensadvice.org.uk/debt-and-money/>

Dealing with money issues can sometimes be off-putting, but if you don't understand how things like credit or mortgages work, you could end up losing out financially or getting yourself deep in debt. The following pages will give you the information you need to make the right choices, including help to deal with your debt problems, how to avoid losing your home and how to get your finances back into shape.

Talk to us online

Chat lets you talk to a trained adviser online. You can:

- » [talk to us about a debt problem](#) - we can usually help between 9am and 8pm Monday to Friday and between 9.30am and 1pm Saturday
- » [talk to us about any other kind of problem](#) - we can usually help between 9am and 5pm, Monday to Friday

Call our national phone line

You can contact an adviser through our national phone service:

Report a child protection concern

If you are ever concerned that a child is in immediate danger, please call the police on 999.

Everyone has a responsibility to refer a child when it is believed or suspected that a child:

- » Has suffered significant harm and /or;
- » Is likely to suffer significant harm and/or;
- » Has developmental and welfare needs which are likely only to be met through provision of family support services (with agreement of the child's parent).

To report a concern if you are a member of the public

During office hours

You can call Children and Families Front Door Service on **01452 426565** (Monday to Friday 9am to 5pm).

You can also discuss your concerns with someone who works with children and families, such as your health visitor, social worker, school nurse or teacher (all schools have a teacher responsible for child protection).

Out of office hours

If you think a child is in immediate danger, please call the police on 999.

The Emergency Duty Team (EDT) are available for emergencies, out of office hours, which cannot safely wait until the next working day. You can call them on 01452 614194.

EDT is not intended to provide the same level of service that is available during normal office hours.

To report a concern if you work with children or young people

During office hours

You can call Children and Families Front Door Service on 01452 426565 (Monday to Friday 9am to 5pm).

Out of office hours

If the issue cannot safely wait until the next working day, please contact the Emergency Duty Team on 01452 614758 and provide us with as much information as possible.

Enquiries needing an immediate response should be called in to prevent any delay. This would include:

- » When it is felt a child or young person is at immediate risk of harm
- » When a child protection investigation is needed (because of physical, sexual and emotional abuse or chronic neglect)

Request for service

All other requests for service should be submitted on a Multi-Agency Request Form (MARF) via our on-line portal. <https://children.gloucestershire.gov.uk/web/portal/pages/home>. If this is not possible, please email a completed MARF to childrenshelpdesk@gloucestershire.gov.uk. Please use the link below to download the current form.

Who to talk to if you are a child

If you have been hurt by anybody, or an adult or another young person has done something that makes you feel upset or scared, it is important that you tell somebody so that you can get the support and protection you need.

Everybody who works or volunteers with children and young people has a responsibility to protect them from harm. Tell an adult you trust. This could be someone at your school, youth club, doctor's surgery or any other place you attend. Tell them about what is happening and what you are worried about, and they should know how to get you the support and protection you need.

You can call Children and Families Front Door Service on 01452 426565 (Monday to Friday 9am to 5pm). If you need to speak to a social worker outside these hours because you are worried about yours, or someone else's safety, then you can call our Emergency Duty Team (EDT) on 01452 614194 to speak to a social worker.

You don't need to give your name if you don't want to.

Or you can speak to someone at Childline on 0800 1111. Calls are free and confidential. You can also contact someone through the [Childline website](#).

Keeping children safe during community activities, after-school clubs and tuition

<https://www.gov.uk/government/publications/guidance-for-parents-and-carers-on-safeguarding-children-in-out-of-school-settings/keeping-children-safe-during-community-activities-after-school-clubs-and-tuition-questions-to-help-parents-and-carers-choose-out-of-school-settings>

This guidance is for parents and carers. It explains what school and activities clubs, tutors and coaches should be doing to provide a safe environment for the children that attend their setting. Settings could include:

- » community activities - for example, youth clubs
- » before- and after-school clubs
- » holiday clubs
- » supplementary schools - for example, language, cultural and religious
- » private tuition
- » music lessons
- » sports training and coaching

A typical provider may be:

- » a tutor who works alone from their home
- » a coach who runs training sessions in a sports field for children
- » a club with volunteers or paid staff members

There is no single legal framework that governs how clubs and activities for children operate. Although these settings offer provision for children, their staff members and volunteers are not typically inspected, overseen or assessed by any regulatory organisation.

This means that when choosing a club, tutor or coach for your child, it's important to:

- » ask questions
- » check the **policies** and insurance they have in place

You should feel able to ask questions about the provider's activities and policies. A well-run and trustworthy provider will welcome questions. They should be willing to give this kind of information to anyone who leaves a child in their care.

To satisfy yourself that it is a safe environment, you may wish to:

- » meet the providers before your child attends a first session
- » ask providers if you can meet with them during a session

If a provider is going to be working on a one-to-one basis with your child (such as in the case of a private tutor), you may wish to supervise sessions.

Raising concerns about a club, tutor or coach

If you have concerns about a club or activity your child attends, first raise concerns with the provider.

All providers should have a clear policy to deal with complaints. This should include instructions on:

- » how to raise a concern
- » who to raise a concern to
- » how they will deal with the concern

The complaints policy should be on the provider's website or displayed clearly in the building where the club or activity takes place.

Ask to see a provider's child-protection policy. This should say how:

- » children can report concerns
- » the provider will make parents aware of any concerns

Individuals such as tutors should give you instructions on how to raise a concern with your local council.

You may also be able to raise your complaint or concern with a governing body or association (if they have one).

If the complaint is about a provider registered as a charity, you can raise this with the [Charity Commission](#).

If the situation is not resolved, escalate safeguarding issues by:

- » calling the NSPCC helpline on 0800 800 5000
- » contacting the local authority designated officer at your [local council](#)

The local authority designated officer is responsible for dealing with allegations against people who work with children.

If you believe a child is in immediate danger of harm, call the police on 999.

CAMHS support covers depression, [problems with food and eating](#), [self-harm](#), [abuse](#), violence or [anger](#), [bipolar disorder](#), [schizophrenia](#) and [anxiety](#), and other difficulties.

There are local NHS CAMHS services around the UK, with teams made up of nurses, therapists, psychologists, child and adolescent psychiatrists (medical doctors specialising in mental health), support workers and social workers, as well as other professionals.

The first step to getting help from CAMHS is usually getting a referral for a CAMHS assessment. This referral can come from your parents/carers, a teacher, a GP, or yourself if you are old enough (depending on where you live).

If you're being supported by social care, a youth offending team, or a service at your school, they might also be able to refer you.

Try to tell the person making the referral as much as you can so you can, to get the help you need.

Most local CAMHS teams have a website where you can look up how to get access to their service. You can find your local CAMHS team using your postcode.

Crisis Resolution and Home Treatment Team

www.ghc.nhs.uk/our-teams-and-services/crhtt/

Our Crisis Resolution Home and Treatment Teams (CRHTTs) offer advice and support when you feel you require an increased level of care, due to your mental health or due to emotional and psychological distress.

If there is an immediate danger to life, please dial 999 or go to your nearest Accident and Emergency Department.

If you or someone you know needs help in a mental health crisis, call our crisis teams (the teams work with those aged from 11 upwards).

Call 1

We are available 24 hours a day, 7 days a week. When you call, please choose one of the following options depending on your location:

Option 1 for Stroud and Cotswolds
Option 2 for Gloucester and Forest
Option 3 for Cheltenham,
Tewkesbury and North Cotswolds

A mental health worker will talk to you about your situation and how you are feeling and will provide initial telephone advice, support and triage. This could lead on to further telephone support or onward referral/signposting to mental health services or another organisation, such as voluntary services. You may also be referred to the Crisis and Home Treatment Team.

Please note: telephone calls may be recorded. If you do not want that to happen, please tell the person who answers your call and they will phone you back on a 'non-recordable' telephone.

Occasionally, callers may be asked to leave their name and number on an answerphone. In these circumstances, staff will return the call within one hour.

If you are hearing impaired, please TEXT:

07775 510693 – 7am – 9.30pm
07768 776863 – 9.30pm – 7am

If you need help but are not in crisis, please contact your GP if in opening hours, or 111. If you don't have a GP use the [NHS service search](#) to locate the nearest one to you. If your query is not urgent, you can find our contact details [here](#).

Domestic Abuse Support Service for young people

<https://www.gdass.org.uk/support-for-young-people/>

We offer group work and one-to-one support for young people who are experiencing domestic abuse.

The GDASS floating support team will work with anyone aged 16 and over. Your support will be designed around what you are worried about and will fit in around school, college or work.

We have a specialist Young Persons Violence Advocate (YPVA) who will work with those assessed as being at high risk of serious harm. She has specialist training to help you to stay safe.

Services and programmes STREET Safe Teenage Relationship Education & Empowerment Team

STREET is a county-wide service for young people aged 13-19 who:

- » have experienced or are experiencing teenage relationship abuse;
- » are adversely affected by domestic abuse in the home; or
- » are displaying harmful behaviour in their close relationships.

From 1 April 2022, the service will be managed by Victim Support Gloucestershire. Please contact STREETreferrals@victimsupport.org.uk and they will send you a referral form.

On Your Mind local

www.onyourmindglos.nhs.uk/

On Your Mind Glos is a place for Children and Young People to turn to when you need help and support with your mental health but you aren't sure where to go. We have an anonymous **Mental Health Support Finder**, which is also available via **text**, for anyone aged 0-25 that will help you find the most appropriate support options for you in Gloucestershire.

Young people, parents/carers or professionals working with young people can use the support finder but also look through the database of quality controlled mental health services contained within our **List of Services Directory**.

On Your Mind Glos also has some self help guides and resources designed for both young people and their families to provide **general support and advice about self-care**.

If you're aged 25 or under, try our anonymous online support finder and get a recommendation for the help that's right for you.

LGBT+ support

FFLAG

<https://www.fflag.org.uk/>

FFLAG is a national voluntary organisation and registered charity. We are dedicated to supporting parents and families and their LGBT+ members.

We offer support to local parents groups and contacts in their efforts to help parents and families understand, accept and support their lesbian, gay, bisexual and transgender members with love and pride. FFLAG volunteers are parents of lesbian, gay, bisexual or trans children supported by other volunteers.

These young people and their families face serious homophobia and transphobia in our society, which brings in its wake prejudice, bullying and alienation.

Confidential Helpline

Until the End of October our opening hours have changed to:

Wednesday – Saturday 4pm to 6pm

Please note our Helpline is operated by a very small number of parent volunteers. They may not always be available during the above hours. If your call is not answered it means no volunteers are available to take your call at that time. Please ring again a few hours later or on another day.

When the Helpline is closed, or your call can't be answered you can seek support from our email service as well as from the many resources on our website.

0300 688 0368*

*All calls charged at local rate

Email Support

If you, your family or friends would like to access support, reassurance or information via email:

You can email us at support@fflag.org.uk

We will find a parent volunteer with similar experiences to yours and aim to respond in 5 days.

For children and young people seeking help with low mood, anxiety or depression (NOT in immediate crisis)

School Nurse

<https://www.ghc.nhs.uk/our-teams-and-services/school-nursing>

School nurses work with children and young people aged from 5 to 19 in the community, whether they attend school or not.

School Nurses are registered nurses or midwives who support children and young people with emotional and mental health issues, relationships and sexual health, bladder and bowel issues, lifestyle health and family worries.

Based in the community, we visit children and families at home, at school or in a setting of their choice.

School nurses play a vital role in child development, carrying out immunisation and screening programmes and act as a point of contact for managing medical conditions such as allergies and anaphylaxis, asthma and epilepsy in schools.

Gloucestershire Mental Wellbeing Helpline

<https://gloucestershirecando.org/>

Gloucestershire Connect and Offload provides support to adults

living in Gloucestershire who are experiencing mild to moderate wellbeing difficulties, such as anxiety, low mood or depression, including support for self-harm.

We can also provide support and information to friends, family, carers and professionals.

The Helpline provides anonymous confidential person-centred wellbeing support through telephone, text or webchat. The team will listen to you and help you navigate the most useful support for you at that time – whether this is emotional and or practical support. The team can access a wide variety of online self-care tools and resources and will be happy to explore these with you. If appropriate, we can signpost you to other sources of support both nationally and within Gloucestershire.

The Helpline is available 365 days a year between the hours of 2 pm and 9 pm. We also have a dedicated [Gloucestershire-based Clic online peer support forum](#) to support adults with their mental health. Whether you have questions about mental health or want to share tips and advice, you are able to access this free online, fully moderated peer support forum 24 hours.

Treasure Seekers/The Cavern

<https://www.kftseekers.org.uk/cavern>

Phone: **01452 307201**

Email: info@kftseekers.org.uk or cavern@kftseekers.org.uk

The Cavern is, first and foremost, a community. Our bustling cafe is a safe space where everyone is valued and encouraged to grow. Here, you'll find not just exceptional coffee and fresh food, but a vibrant atmosphere where connections are built, friends made and support found.

As an independent coffee shop we provide great drinks, fresh food and a lively environment. Since our beginning in 2015, funded by the Police and Crime Commissioner, The Cavern has evolved from a youth venue into a dynamic space hosting an array of weekly events including; Yu-Gi-Oh, Dungeons and Dragons, Pokemon, Warhammer, Magic the Gathering, Ukulele and Karaoke on Sundays!

Our commitment to the community goes beyond just being a cafe. For many, we are a safe space and a home. Many of our regulars require a level of support from staff and

the community. We aim to meet that need by facilitating mental health support in the evenings and providing valuable training to volunteers throughout the day. The Cavern has given work experience opportunities to: colleges, schools as well as those who are disadvantaged or vulnerable. We welcome all of the challenges that come our way and take them as opportunities to reflect, to learn and to grow!

Conflict resolution, healthy communication, and tolerance are at the core of our mission. We understand that each individual is unique, and we strive to tailor our support to meet diverse needs. Our dedicated team supports individuals and the community by actively listening, mediating conflict, and promoting open dialogue. We recognise that each person is unique, and we tailor our approach to meet those needs, ensuring everyone feels heard and respected. Some individuals can find it harder to regulate their emotions than others, and part of our work is to help support them to become the 'best version of themselves'. Being part of this family means that we recognise and celebrate differences, in doing so we create incredibly strong bonds based on mutual respect and celebrating joy.

At The Cavern, we are building something special and enduring—an environment and a community with strong foundations and limitless potential. We are powerful

because we are different—we believe every single person has value! Join us, in creating a space where everyone feels welcome and valued.

Find us at 56 Westgate Street, Gloucester, GL1 2NF (round the corner from the cathedral)

Opening Hours:

Monday to Saturday: 10am – 10pm

Sunday: 12pm (midday) – 10pm

Come be a part of our extraordinary community at The Cavern!

When [The Cavern](#) opened in January 2015, it was built with young people in mind. In fact, it was a small group of young people we knew at the time who had the vision to transform the place. There were four people at the helm of making the launch possible; Robin, Tami, Andy, and Mike all have a big passion for working with young people and if you were to ever pop down on a Friday night, you would've seen them there, serving faithfully as volunteers every week!

Fast forward three years and the amount of young people we saw at The Cavern each week had increased by so many that having a Friday youth night had become less effective. In March 2018 we made the decision to disband our

dedicated team on a Friday so that they could instead offer youth support throughout the week. This enables us to provide support to more young people at varied times.

Youth Support is a free evening drop-in session for those aged 13-17 with their own discreet access for U18s only. We also offer support for 18-19 in our coffee shop space The Cavern. It is a safe space for youth to play games, meet new friends and hang out. With milkshakes and snacks if you are hungry! We have a great team of staff on 365 days a year to lend a listening ear to anyone that needs one, offering support and mentoring. No referrals needed, so you can just walk in!

You can find us in the basement of the Cavern, accessible from College Street. If you are unsure of how to get to us, one of the friendly staff in the Cavern will be more than happy to show you the way. The basement is a 'youth only' space, but if you want to come and check out the space with a parent or carer, you can pop into the Cavern, and we can arrange it for you in the daytime.

When

Youth Support at The Cavern happens every night between 5.30pm and 9.30pm.
