

January 2025

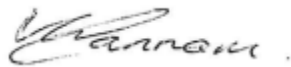

Dear Parent/Carer

Thomas Keble School have an upcoming 'Ask The Professional' event where we will have approx. 3-4 professionals from a variety of industries visiting each of our five Year 10 tutor groups to tell the students about their job role, how they got into it, what sort of skills they use etc.

It will be held on Tuesday 11th February between 8.50am-10.30am. We would like to invite any interested parents to support us with this event to enhance our students' understanding of the wide range of careers they could consider after their GCSEs.

If you are able to attend, please complete this short form:

<https://forms.office.com/e/3YW1u4jSXZ> and if you have any friends, family or colleagues who would be happy to join you, please do not hesitate to share the link with them too.
