

March 2025

Dear Parent/ Carer,

We know that many students have created their own revision timetable, but for those who would find a ready-made revision timetable useful for the next few months, we shared the planner (see link) with the whole of Y11 last week and in assembly. It provides a clear and structured framework to base revision around. This complements the guidance that students have received over revision strategies and techniques and as shared in the Parents Revision evening in February.

Yours sincerely,

Mr R South
Associate Assistant Headteacher
Teacher of History and RPE
