### Explanatory Notes:

- **Grade '4' is classed as a 'standard' pass** and is the expected grade for admission to Post 16 study
- **Grade '5' is classed as a 'strong' pass**
- **Progress 8** is used to measure student progress against peers nationally of a similar ability level. It **is not possible to calculate Progress 8 for 2025, as there is no Key Stage 2 ( KS2 ) prior attainment data available to use to calculate Progress 8 due to tests being cancelled.**
- **Ebacc** is a measure used to indicate the percentage of students who achieved a grade '4' in a suite of specific subjects covering English, Maths, Science, a language and either History or Geography. It is not a qualification in, and of itself. Whilst we offer a full Ebacc programme, it is not compulsory at Thomas Keble as we prefer a personalised KS4 curriculum approach.
- **APS** The average point score indicates the average grade obtained by students within a subject.
