

January 2026

Dear Parent/Carer,

**Re: Year 8 Exams 2026**

In the week beginning Monday 2nd March, the Year 8 exams will take place; along with this letter you will find a timetable of exams for the week. Students will have exams in these subjects: Citizenship, Computing, Drama, English, Geography, History, Music, Modern Foreign Languages, RPE and Science. Maths will assess students in the week beginning 16<sup>th</sup> March. Other subjects will be assessing students in a more continuous way.

It is important that students prepare thoroughly for these exams, as not only will they give teachers a summary of what students have learned, but they also offer an important preparation experience for future GCSE exams. To help your child prepare, you will find attached an overview of each exam, what should be revised and how.

Normal homework will be suspended from Monday 16<sup>th</sup> February through the exam period to allow for focused and meaningful revision exercises to be set and completed.

Your support in helping your child prepare for these upcoming exams is appreciated and please do not hesitate to contact us if you have any further queries.

Yours faithfully,

Mr S Allen  
Associate Assistant Headteacher

Mrs L Nicholls  
Head of Year 8
