

Dear Parents / Carers,

April 2026

You may recall that last year we invited you to our Post-16 Evening in April, where you and your child had the opportunity to browse a number of stands from local education providers and attend a short talk about their post-16 options, including T-Levels and apprenticeships.

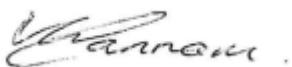

We are once again holding this evening for our Year 10 students, however Year 11 students and their parents are also welcome to come and speak to the employers and education providers. It may be that your child is considering an apprenticeship, in which case the employers may have apprenticeship opportunities starting in September, or perhaps your child has not decided on which college or sixth form they would like to apply to, and may find it helpful to speak to the providers once more. They could also speak to the universities if they wish to find out more about post-18 routes.

The Post-16 Evening will be held on Tuesday 12th May from 4:30pm – 6:30pm.

Currently booked to attend (subject to change):

| Education Providers | Apprenticeship Providers |
|-------------------------------|---------------------------------|
| Cirencester College | Graduate Gardeners |
| Stroud College | Calcot |
| Hartpury College & University | LB Bentley Engineering |
| Gloucestershire College | NHS |
| Marling Sixth Form | Stroud District Council |
| Stroud High Sixth Form | Royal Air Force |
| Archway Sixth Form | |
| Berkeley Green UTC | |
| The Kings' School Gloucester | |
| Bath Spa University | |
