

Year 11 Full Study Leave: Available Options

Points to note:

- Study leave for Y11 will officially commence on Monday 1st June 2026 when attendance (other than for exams) becomes optional.
- The week beginning 1st June until the end of the exams – Full study leave.
- The overview below details the support you are able to access after the half term break for the remaining weeks of the exam-period.
- Please note that whenever students are in school (for exams and/or study sessions), you must be dressed in full school uniform.
- After the Easter break the site will have its Secure line - this means that access will be restricted to a main gate. You will not be able to access the site from the Bussage estate or Eastcombe playing fields.
- From Monday 1st June - pupils will need to sign in at reception, unless you are in purely for an exam, when you don't need to.
- **Key points;**
 - **If you have an exam, you don't need to sign-in – just go straight to the Dance Studio for 08.35 or 1.20pm once you arrive on site.**
 - **If you don't have a morning exam but are in school to study – if you arrive before 09.00, register in your normal tutor bases with tutors.**
 - **If you don't have a morning exam but are in school to study – if you arrive after 09.00, you must register at reception.**
 - **If you have been in school for study sessions or the study room and you are signing out to leave site for the day, you must do so at reception.**
 - **Full school uniform is expected.**
- If you are in school, but not here for an exam, then you sign in, and out once – you are not permitted to come and go several times during the course of a day.
- If you are in school, but not here for an exam then you are expected to be in school for revision sessions or in a private study room. **You are not permitted to wander around school during lesson times** to ensure all classes can take place in a calm and effective way.
- Private study rooms are for private study and revision. **Anyone talking or distracting others will be sent to a revision session or asked to leave the school site until their next exam.**
- Note: Shaded squares indicate all students in exam (No study room available)
- ALL AFTERNOON EXAMS WILL START AT 1:30PM – You are required to be ready to enter the exam hall at 1:20pm in the Dance studio
- Period 4 for an afternoon exam;
 - If you have an afternoon exam and you are attending a revision class/study room in school, you can leave period 4 at 12:50pm and go to the dining hall
 - If you do not have an exam in the afternoon and you are in school attending a revision class, then lesson 4 will run as normal and finish at 1:30pm.

We hope you find the arrangements we have set up supportive. We urge you to make use of the guided revision sessions led by staff during your study leave. They are there to help. *Please note that the staff allocated are subject to change.*

Good luck.

Week 1: Beginning: June 1st - Full study leave arrangements. Students may opt to work at home when not in for exams.
