

Dear Parent / Carer,

May 2026

Re: Year 9 Core Exams June 2026

During the week beginning Monday 8th June, Year 9 exams will take place in the Core subjects (English, Maths and Science); enclosed with this letter you will find a timetable of exams for the week. Maths and Science will use these exam results, along with other data, to make decisions about sets for Key Stage 4.

It is important students gain the experience of preparing thoroughly for these exams, taking this opportunity to demonstrate their learning at the end of Key Stage 3. To help students prepare, you will find attached an overview of each exam, what should be revised and how.

Normal homework for core subjects has been suspended from Monday 18th May through the exam period to allow for focused and meaningful revision exercises to be completed.

Your support in helping your child prepare for these upcoming exams is appreciated and please do not hesitate to contact us if you have any further queries.

Yours faithfully,
